ABOUT DROUHIN OREGON ROSEROCK

Roserock is an extraordinary vineyard at the southern tip of the Eola-Amity Hills, in Oregon's Willamette Valley. Ancient volcanic soils, an ideal elevation range and the unique cooling effect of the Van Duzer corridor produce classic cool-climate Pinot Noir and Chardonnay. Roserock is LIVE-certified sustainable

ABOUT OUR ZÉPHIRINE PINOT NOIR

Our Zéphirine Pinot Noir is a barrel selection cuvée from the Roserock vineyard, and is a reference expression of the site. Zéphirine conveys purity and beauty, reflects winemaker Véronique Drouhin's dedication to elegance and finesse, and will age meaningfully for years to come. The name refers to the Zéphirine Drouhin variety of climbing rose, which is known for its fragrance and beauty.

THE 2014 VINTAGE

2014 is already considered a classic Oregon vintage. A long, warm growing season and a relaxed, bountiful harvest has given us Pinot Noir with lovely color, beautiful fruit-forward character, excellent balance and the structure to age well. It is a perfect way to debut Roserock.

VÉRONIQUE'S TASTING NOTES

Zéphirine has a deep, rosewood color. On the nose, there is clear energy, and layers upon layers of violets, delicate roses, small berries and brush. On the palate, there is a wealth of blue and black fruit flavors balanced by excellent structure and fine tannins. As a whole, Zéphirine exudes complexity and refinement, and leads to a very long, satisfying finish. It will be lovely to experience as it ages over the next 8-10 years or more.
